Stephen LeClair
Financial Accountability Officer
Financial Accountability Office of Ontario
2 Bloor Street West, Suite 900
Toronto, ON M4W 3E2

Dear Mr. LeClair,

Thank you for your letter requesting information from my ministry to assist you and your office with the examination of asset inventory for the Province.

As you may know, my staff worked closely with your office to determine if we could provide assistance with your request for free access to the Teraview © software and its licenses, as used by the Land Registry Office. A demonstration of the Teraview© system was presented to your team on April 27, 2016. After the demonstration, it was determined it would not be efficient to proceed with the software registration process.

I understand that the FAO will proceed to explore information available through other ministries. Please do not hesitate to contact me or my staff should you need any further information or access to Teraview© in the future.

Sincerely,

A handwritten signature in cursive script that reads "Angela Coke".
