Dear Mr. Gurnham,

In the FAO's letter dated August 30, 2017, the Ministry of Energy was asked to provide any analysis related to the Ontario-Quebec Electricity Trade Agreement (Information Request FA1713-01).

As you are aware, the electricity trade agreement that was signed in November 2016 was between the Independent Electricity System Operator (IESO) and Hydro-Quebec. The Ministry relied on the analysis provided by IESO who is the counterparty to the agreement.

I understand that you have made a similar request to Peter Gregg, the President and CEO of IESO, any available information to meet your request would likely come from IESO.

I hope this information is helpful.

Sincerely,

Serge Imbrogno
Deputy Minister
