Re: FAO Information Request FA1713-01: Analysis of the Ontario-Quebec Electricity Trade Agreement

Dear Mr. LeClair:

On behalf of Peter Gregg, President and CEO of the Independent Electricity System Operator (IESO), I am pleased to provide you with the IESO's response to your request for Analysis of the Ontario-Quebec Electricity Trade Agreement in FA1713-01.

Attachments to this letter include all items responsive to the Information Request Attachment 4 that accompanied your letter to the IESO on September 6, 2017:

1. Cover spreadsheet.
2. A copy of the signed agreements and associated appendices and schedules.
3. Analysis outlining the cost/benefit of the agreement, the effect of the agreement on the electricity generation supply mix in Ontario, and how the agreements support the Province's electricity market initiatives.

Please note, as detailed in our cover spreadsheet, we respectfully request the opportunity to review and comment on any proposed disclosure of information contained in the records provided, as they contain information that does not satisfy the disclosure criteria of section 13 of the *Financial Accountability Officer Act*.

Sincerely,

Michael Lyle
Vice President, Planning, Legal,
Indigenous Relations and Regulatory Affairs
