Re: FAO Information Request FA1508-02i

In response to your letter dated April 6, 2016 regarding information request FA1508-02i, please find attached tables that provide financial information (historical cost, accumulated amortization and net book value) on land and buildings for colleges in Ontario.

Please note the ministry does not have additional information such as age or square footage of facilities and as such, this ministry is not able to provide this level of detail.

As a follow-up to this letter, we would be pleased to contact Matthew Stephenson to brief him on the information provided in this response. If you have any further questions or need any assistance from our ministry, please do not hesitate to contact Kelly Shields, Director of Postsecondary Finance and Information Management Branch, at (416) 325-1952.

Sincerely,

Sheldon Levy
Deputy Minister
